## Your Connection to this space

01. How do you use this space? Required

Please select all that apply

| Select all that apply | |
|---|---|
| ☐ I play or spend time at the reserve | ☐ I have hosted or attended a BBQ, party or event here |
| ☐ I supervise children or people in my care to use the space here | ☐ I live near the reserve |
| ☐ I walk through and around the reserve | ☐ I don't currently use the reserve |
| ☐ Other (please specify) | |

02. What ages are the people you supervise/care for?

**Skip this question if**

- you have not selected either "I supervise children or people in my care to use the space here" in question How do you use this space?

03. What is your preferred option? Required

Both location options include new footpaths to connect to the playground and edge of reserve.

Option A: is immediately next to the proposed resting area. Additional hard-surface space is allocated surrounding the multisport court and rest area to allow clear access

Option B: at the back end of the multisport court, further from the playground and barbecue shelter and would require a longer footpath to provide accessible connections to the road and playground.

| ◯ I like both options |
| ◯ I prefer option A [next to the rest area] |
| ◯ I prefer option B [next to the multisport court] |

04. Please tell us more about your choice/answer

**Must complete this question if**

- you have selected either "I prefer option 1 [next to the playground]", or "I prefer option 2 [next to the basketball court]" in question What is your preferred option?

05. Anything else you would like to tell us about this project or space?

# About You

Thank you for your contribution.
Before you finish, we need to collect some basic information about you so we can let you know the outcome of this engagement, and to meet the requirements of our Community Engagement Policy.

Personal information is collected for the purpose of contacting contributors about their contributions and verifying submissions where necessary. Personal information will not be shared publicly.
The content of submissions is (excluding personal information) treated as a public document upon receipt and may be published in Council agendas, reports, Council websites and publications.
We make efforts to 'close-the-loop' with project contributors and followers. We may occasionally send information to acknowledge a contribution, provide key updates on engagement and project processes and outcomes.
